PROFESSIONAL SUMMARY

Versatile and analytical Business Owner and Management graduate with a proven track record of successfully executing end-to-end operational workflows, financial planning, and supply chain governance. Combines real-world entrepreneurial leadership with formal PMI methodology frameworks (CAPM certified) to structure chaotic environments, manage vendor agreements, and track tight project constraints. An adaptable leader seeking to transition hands-on business administration experience into a Project Coordinator or Junior Project Manager role where driving ownership, clear communication, and goal execution are critical.

CERTIFICATIONS

- **Certified Associate in Project Management (CAPM)** – Project Management Institute (PMI) | Gained to formalize business leadership with standard PM frameworks
- **Google AI Essentials Certification** – Google / Coursera | Applied for business efficiency, automation, and data analysis

CORE COMPETENCIES & TRANSFERABLE SKILLS

Business Ownership & Strategy • End-to-End Business Operations • Budgeting & Financial Controls • Vendor & Supplier Relations • Logistics & Supply Chain Coordination • Contract & Pricing Negotiation • Timeline & Milestone Tracking • Risk Management & Resolution • Stakeholder Communication • Process & Workflow Automation • AI Productivity Tools • Cross-functional Collaboration

PROFESSIONAL EXPERIENCE

Founder & Business Owner | Value Furniture Outlet & Ram Furniture LLC

Aug 2023 – Sep 2025

Springfield, MO

- **Full Enterprise Management:** Launched and managed all day-to-day business operations for an independent retail furniture venture; oversaw complete order fulfillment lifecycles, cross-functional delivery logistics, and resource allocation.
- **Financial Stewardship & Budgeting:** Maintained oversight of corporate expenditures, managed operational budgets, tracked cash flow, and rigorously analyzed inventory profit margins to achieve monthly and quarterly business revenue milestones.
- **Supply Chain & Vendor Governance:** Sourced and managed ongoing communication with international & local commercial suppliers and implemented strict delivery timelines to drive inventory turnover.
- **Risk Resolution & Logistics:** Acted as primary escalation point for all operational issues; resolved time-sensitive delivery delays, and client requests to maintain premium satisfaction rates and prevent financial losses.

- **Operational Workflow Architecture:** Designed and implemented internal tracking configurations for incoming inventory and customer follow-ups and improving standard operational execution efficiency.

Sales Representative | Rumble Pest Solutions

May 2023 – Jul 2023

Springfield, MO

- **Account Acquisition & Client Communication:** Executed high-volume direct outreach, managing client communications, pitching specialized service packages, and successfully building a robust, qualified pipeline of consumer contracts.

EDUCATION

Bachelor of Business Administration (B.B.A.) in Management | Evangel University

Graduated: May 2025

- **Honors & Awards:** Founder's Scholarship Recipient – Selected via competitive, multi-day interview panel evaluating leadership capabilities, executive operational logic, and academic promise.
